Welcome

The University of Oregon (UO) is delighted to welcome international students and scholars from all over the world to study, research and become a part of our university community.

This year the University expects to host over 3,000 international students from more than 90 countries.

The staff of the Office of International Affairs is dedicated to supporting and advising all international students and scholars at the UO. We hope you take advantage of the International Student Orientation (ISO) which has been developed specifically to address the needs of UO international students. Please let us know if you have any questions about the planned activities. Visit our office on the third floor of Oregon Hall if there is ever anything we can do to assist you.

It is our sincere hope that during your time here you will come to see the University of Oregon as your “home away from home.” Again, welcome to Eugene and the University of Oregon!

Your presence here enriches the campus environment and adds to the diversity of this institution.

Orientation Overview

What is ISO?

The International Student Orientation (ISO) is designed to prepare you for life as a University of Oregon student.

At the beginning of orientation you will have the opportunity to meet with group leaders and other students. They will help you find workshops and events during orientation and make your transition into the University of Oregon as smooth as possible.

Feel free to ask them questions if you are lost, or use it as an opportunity to build new friendships on campus. Please remember that ISO is a required event and you should plan to attend every session scheduled for you.

Look for the Welcome Table

The Welcome Table is the first place to check-in as a new student and get information and answers. If you ever feel lost or confused, need help finding an event, or need more information about anything, we can help.

The Welcome Table opens on **September 6th** in front of UO Health Center and remains open through September 12th. Stop by anytime.

International Ducks never fly alone. ISO is not just a time to learn rules and responsibilities while at the UO, it is also time to connect with others. Go Ducks!

Important Information to Know

- Stop by the Welcome Table when you arrive to campus.
- Remember all sessions are required and important for you to attend.
- Avoid lines at the Required Immunization Verification by turning in your immunization documents at the Welcome Table between 9/6 and 9/12.
- Do you need to print something? Visit the Office of International Affairs for free printing.
- **Follow us on Facebook at [facebook.com/uoisss](https://www.facebook.com/uoisss) and Twitter @UOISSS.**
