International Cultural Service Program

The International Cultural Service Program (ICSP) is a partial to full tuition scholarship. ICSP is an essential program for international students, the university, and the Eugene/Springfield community. Deadline for this scholarship is February 18, 2022 by 4 p.m. (PST).

Endowed Scholarships

Our office is proud to have so many supportive donors to help students from around the world gain international experience in the US. Awards vary based on which endowment you are applying to. Deadline for this scholarship is February 18, 2022 by 4 p.m. (PST).

Global Corners Awards

We are pleased to announce the OIA Global Corners International Graduate Student Recruitment and Retention award. UO Departments are strongly encouraged to nominate students and offer matching scholarships, if possible, in order to be eligible for this award. Deadline is February 18, 2022 by 4 p.m. (PST).

Work Study

International students are encouraged to apply for a work-study award. Students who receive international work-study will be eligible to apply for on-campus jobs that require work-study in the upcoming year. The application period is now open until the deadline of April 15, 2022 by 4 p.m. (PST).

Fee Waiver

To ensure that this new fee is not an undue burden on international students with significant financial need, the fee will be fully waived for the 10 percent of the international student population with the greatest financial need.

Nepali Student Scholarship

The scholarship, to be awarded at either the undergraduate or graduate level, was instituted both as a commitment to rebuilding Nepal after the earthquake and as a reaffirmation of Eugene’s unique sister city relationship with Kathmandu. Deadline for this scholarship is February 18, 2022 by 4 p.m. (PST).
