IMPORTANT NOTES

- Post-completion OPT extends your F-1 status for 12 months for purposes of practical training in the U.S. related to your major.

- An F-1 student must have been "lawfully enrolled on a full-time basis in a Service-approved college, university, conservatory, or seminary for one full academic year" to be eligible for CPT or OPT.

- If you file an application online, do not mail a paper application to USCIS.
OPT APPLICATION

Step 2
- Submit the “OPT I-20 Request Form” at iconnect.uoregon.edu
- Undergrad only: You must "apply for degree" before you submit the above mentioned form

Step 3
- ISSS will contact you to schedule OPT document review and provide you with the OPT I-20

Step 4
- File Application Online (do NOT file on your own without an ISSS advisor's approval)

Step 5
- Wait for OPT to be Approved
5 STEPS: WHAT TO EXPECT

► 1. Attend OPT workshop: Zoom workshop schedule can be found at Optional Practical Training (OPT) International Student and Scholar Services (uoregon.edu)

► 2. OPT Request Form for ISSS: Submit the "OPT I-20 Request e-form" at iconnect.uoregon.edu (under F1 Practical Training), and make sure to use the correct email address of your academic/faculty advisor or graduate coordinator in the eform.
* For Undergraduate students only: You must apply for degree first, before you submit the above mentioned eform.

► 3. ISSS will contact you to schedule an OPT document review and provide you with an OPT I-20: An ISSS advisor will reach out to ask for all the other required documents, and schedule a document review with you. This can be done either in-person or via zoom. You will be provided with your OPT I-20 after your document review to file along with your I-765.

► 4. File application online: Make sure you file the application within the timeframe (see below) and receive your I-797 receipt notice immediately. Save a copy of your receipt notice.

► 5. Wait for OPT to be approved: You will very likely receive your EAD card within 1 to 2 months after you submit the application. Contact ISSS if your EAD card is lost in mail or returned to USCIS.

OPT APPLICATION TIME FRAME

- USCIS must receive your OPT application during this window:
  - Earliest to apply: **90 days prior to** the last day of your final term. We recommend filing 89 days prior to last day to ensure your application will not be rejected by USCIS.
  - Latest to apply: **60 days after** the last day of your final term.
  - DSO signature on OPT I-20: only valid for 30 days once printed and signed. USCIS will reject your application if DSO signature is more than 30 days old.
- You can only apply for OPT while in the U.S.
- It takes 1 to 2 months or more for USCIS to process your OPT Application.
- Keep your USCIS account/password safe and log back in to check status.
OPT START DATE

- Preferred OPT start date will be asked when filing I-765.
- It can be a date between 1 to 60 days after the last day of your final term.
- **ACTUAL OPT start date will be printed on your EAD card.** It may not be your preferred OPT start date!
- Your work authorization starts effective after:
  - (1) you received your EAD card; AND
  - (2) the OPT start date printed on EAD has reached.
OPT END DATE

- OPT end date will be 12 months from your OPT start date as printed on your EAD card. This period between OPT start date and OPT end date is your work authorization period.
- You will have a 60-day grace period after the OPT end date to leave the U.S., unless you apply for any of below:
  - STEM OPT extension, if applicable;
  - Change of education level at the UO, if admitted to a new program;
  - Transfer to another institution, if admitted;
  - Change of immigration status.
EAD CARD

- Once you receive your Employment Authorization Document (EAD) card, check your card for accuracy.
- Make a copy of card for your personal records.
- Keep the card safe.
  - Replacing the card requires another application and fee.
90-DAY UNEMPLOYMENT RULE

- Your work authorization begins on the OPT start date listed on the EAD card (not necessarily the preferred OPT start date you selected on I-765).
- You are allowed a maximum of 90 days of unemployment to find a job, internship, or other training activity. This 90-day unemployment allowance is an aggregate and does not have to be consecutive.
- It is your responsibility to keep track of your unemployment period. However, ISSS will also record your employment start and end dates when you submit the OPT update form.
- To stop the unemployment clock, report your OPT job information (see next section).
UPDATE EMPLOYMENT & OTHER INFORMATION DURING OPT

- You are required to report your first job/internship to ISSS within 90 days of your OPT start date. Include a copy of your EAD in the report.
- In addition, any change of job/internship or change of address/contact information must also be reported to ISSS within 10 days.

*SEVP portal will send you notifications to update your OPT employment with them--you do not need to do that. Please make sure to submit your OPT update e-form with us so that we can update your employment status on SEVIS.*
INTERNATIONAL TRAVEL DURING OPT

- **Authority Cite**  [8 CFR 214.2(f)(13)(ii)]

  An F-1 student who has an unexpired EAD issued for post-completion practical training and who is otherwise admissible may return to the United States to resume employment after a period of temporary absence. The EAD must be used in combination with an I-20 ID endorsed for reentry by the DSO within the last six months.

- Students approved for post-completion OPT continue to be in F-1 status. In general, F-1 students should travel with the following documents:
  - Passport valid at least six months into the future
  - Valid F-1 student visa (except for Canadian citizens)
  - OPT I-20 showing your OPT has been “approved” (reprint of I-20 required)
  - Travel signature on OPT I-20 no older than 6 months
  - EAD card (or I-797 Receipt Notice while waiting for OPT application to be processed)
  - Proof of employment (job offer letter, pay stub, etc.)

- Contact ISSS if you need an updated or replacement I-20 for travel.
INTERNATIONAL TRAVEL BEFORE OPT APPROVAL

- Once your OPT is approved and started, you must carry the EAD card for re-entry.
- If your OPT is approved and started when you are outside of the U.S., please make arrangements to have your EAD card mailed to you for re-entry to the U.S.
- Proof of employment is required for your re-entry to the U.S. during the OPT period, unless you are returning before your OPT start date. In this case, you must carry evidence of job search activities.
FAIL TO GRADUATE AS PLANNED

- If your application to graduate is denied, or pulled by you or the Registrar, you must contact ISSS immediately to discuss your options, which may include withdrawing your OPT application.

- Depending on your academic situation, you may be eligible for one term allowance to complete your degree and keep your OPT application pending.
